What is the role of the AI Product Manager?

In these exciting times, we would love to hear how you manage your AI-heavy software products!

We invite you to fill out an online form (~5 minutes) and for a confidential Zoom chat (~1 hour).

If you are willing to share your AI product management experiences with us, please message us here or email **kashumi.madampe@monash.edu** to set up a time.

We are creating knowledge and insights about the role of the AI product manager and practical guidelines to effectively manage AI software products. Your views will greatly help the community!

We can't wait to hear from you!

DR KASHUMI MADAMPE*, PROF JOHN GRUNDY*, AND (FORMER) PROF TONY WASSERMAN**.
